The information requested below is required to initiate a transfer of funds between accounts. Your available balance immediately effects the transfer.

Note:

- Transfers from Savings accounts are limited by the Federal Reserve. Learn more about these restrictions.
- Transfers to credit cards may not appear in your history for two business days, but will be credited as of today's date. Your available balance immediately reflects the transfer.
- If a transfer is made before 5 PM Eastern time, the transfer will be posted to your account activity at the end of the current business day.
- If a transfer is made after 5 PM Eastern time, it will be posted at the end of the next business day.
